Comment of a Planning Application

Application Reference PA/2025/0128

Dear Sir or Madam,

I support the proposal for the erection of one detached dwelling and new access on the Close on land south of 38 Gordon Close with postcode TN24 8RQ.

Next to the site is public footpath with grass, shrubs, and trees each side. Next to a fence parallel to the side of the dwelling should be a strip of ground with grass, shrubs or trees and not just a large blank wall. This will improve appearance of this small area.

Yours faithfully, Mr Paul Lewis
