

Photo 1 - Long view taken across the field from the North

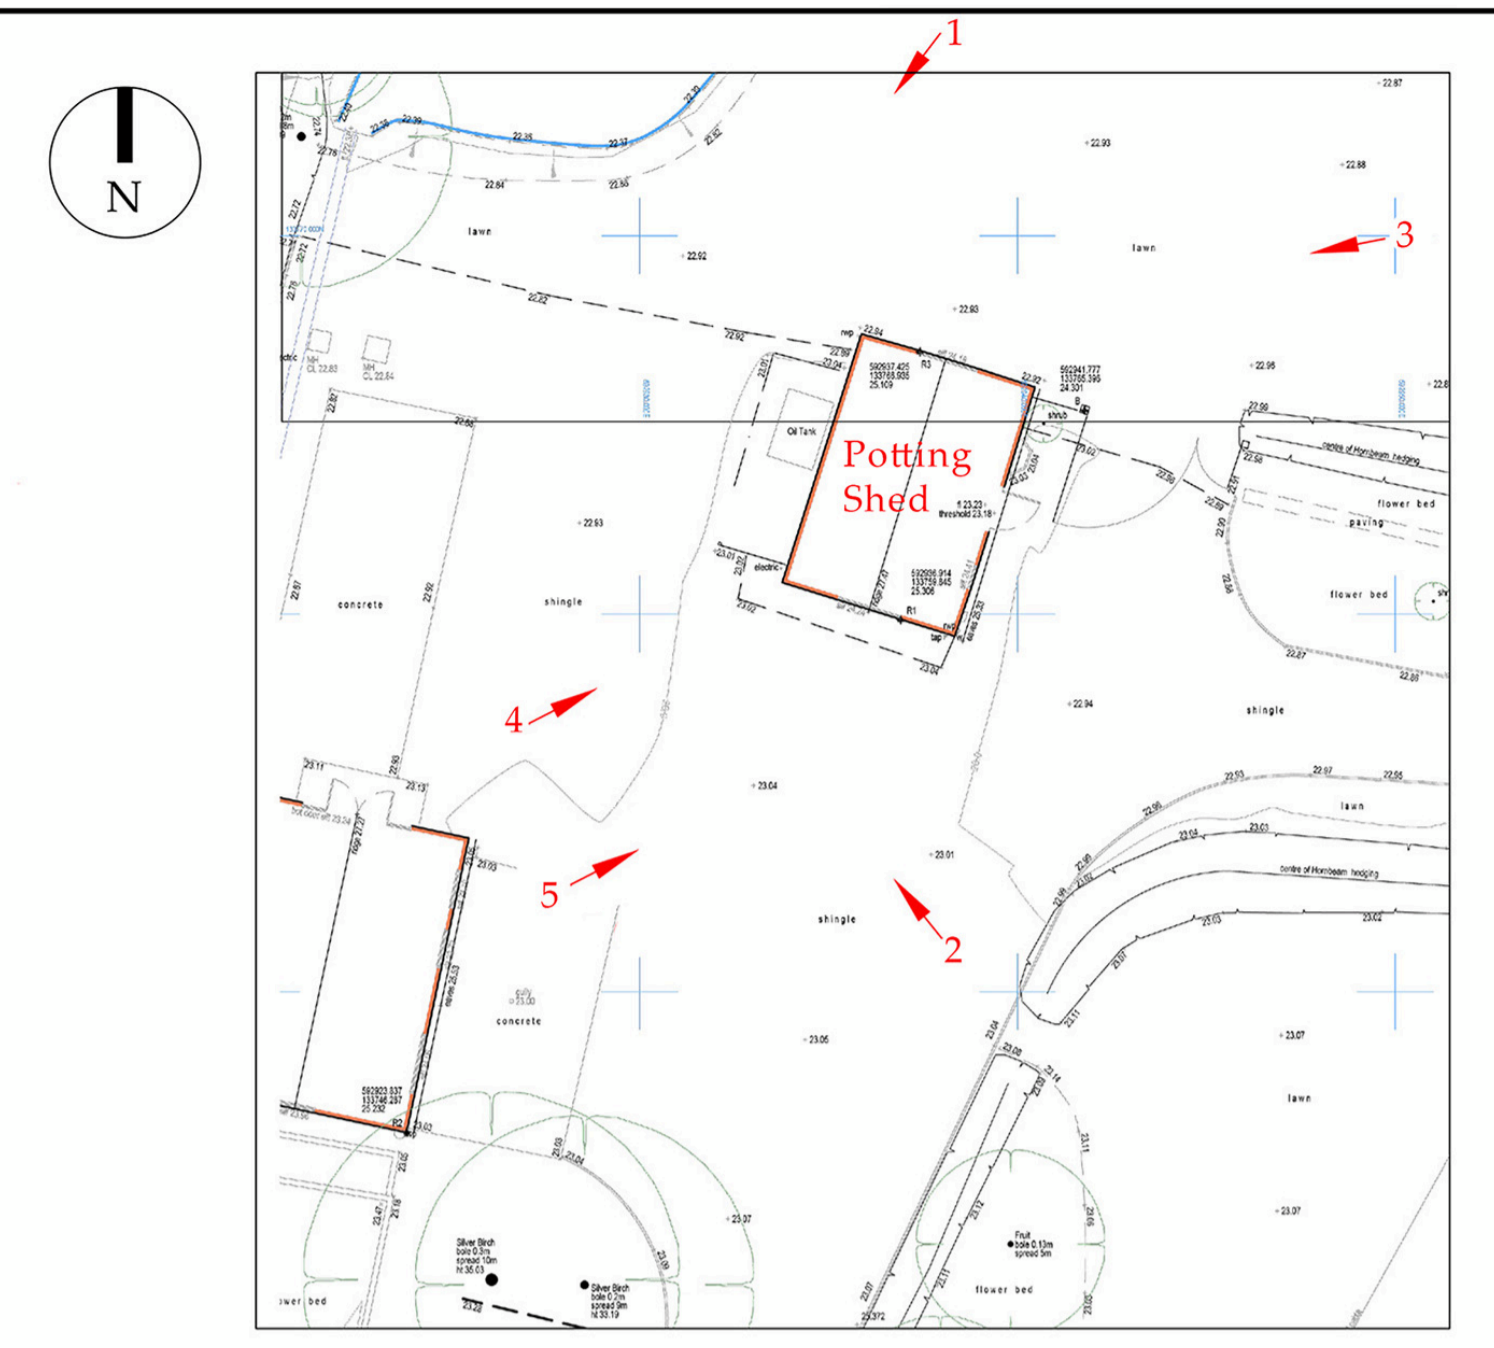

PHOTO LOCATION PLAN  
0 10m 20m  
Scale 1:200

Photo 2 - The potting shed viewed from the drive

Photo 3 - North-Easterly view of the potting shed

Photo 4 - South Westerly view of the Potting Shed with existing oil tank enclosure. Notably, The Wall mounted flue to the oil boiler will be located within this enclosure and thereby hidden from view.

Photo 5 - The potting shed in context of the house. The boiler flue would be hidden from view.
